## 2005

at-sunrice has a Global Vision - to lead the way in maintaining the integrity of food and culture in the evolving and vibrant cuisine industry. Just as Herbs and Spices have evolved in history, we can preserve and be fashionable at the same time.

at-sunrice's mission is to develop GlobalChefs<sup>®</sup> who are able to strike a balance between integrity and evolution.

at-sunrice does this by delivering formal education in East and West, Herbs and Spices, Old and New World cuisines. Creating opportunities for them to work in three countries by the age of 30, and providing Work and Study rotations at top establishments.

at-sunrice GlobalChef<sup>®</sup> is the new Industry Standard to inspire young chefs with a path to becoming an awarded and recognized chef.

In this inaugural event, at-sunrice will recognize and celebrate the achievements of 10 of today's GlobalChefs<sup>®</sup>.

at-sunrice is now calling for all nominations for the GlobalChef<sup>®</sup> 2005 Awards:
