Masterchef

Ryuichi Yoshii hails from the award winning Yoshii Restaurant in Sydney. *The New York Times* describes him as "Sydney's finest sushi chef," along with many other food critics extending that recognition to all of Australia. Yoshii grew up in Nagasaki, Japan but it was in Tokyo where he experimented and honed his sushi-making skills. He later worked in Fukuoka - Nakasu in Kyushu for six years as an executive chef before moving to Australia in 1997. In 2000, he published the best-selling cookbook, *Sushi*. For Japanese food lovers who visit Sydney, Yoshii's at Harrington Street, is often a must on their to-do lists.
