Kevin Thornton

*Thornton's Restaurant
Ireland*

Hosted at Grand Hyatt Singapore

Kevin Thornton is highly accustomed to accolades. Lauded as one of the best chefs in Ireland by *Food & Wine* magazine, Thornton has an infectious tangible team spirit, and is constantly pushing the envelope beyond the parameters. Thornton has been awarded a Michelin-star which is something serious chefs aspire to achieve. Thornton laid the foundations of his culinary life young; he worked in the vegetable gardens of the Cashel Palace Hotel, at an abattoir, as well as several vineyards throughout Europe gaining invaluable experience and knowledge about regional produce and the effects of the seasons. This experience was to have a tremendous influence on him, and even up to today, Thornton still firmly believes in the qualities and absolute necessity of using the freshest of produce from the season. With his light cooking style, Thornton wonderfully brings out the natural flavours of the seasons.
