*Hosted at Club Chinois, Tung Lok Group of Restaurants*

Talented Susur Lee hails from Toronto, Canada where he holds the fort at the delectable Susur and Lee Restaurants. One of Canada's hottest chefs, Lee has been making waves since he opened his first restaurant, Lotus in 1987. After a decade of helming Lotus, Lee closed Lotus to work with the Tung Lok Group in Singapore as a consultant to Tung Lok's Group of Restaurants and was the executive chef of Club Chinois which opened in 1997. In 2000, Lee returned to Toronto and opened Susur Restaurant to critical acclaim. In 2004, he unveiled Lee Restaurant next to Susur, showing yet another side of his culinary brilliance through a progression of dishes that is different from its sister restaurant.
